MEMORANDUM FOR: Chief, Budget Division

SUBJECT : Proposed Draft Bill to Facilitate Accounting,
Simplify Payment of Claims, etc.

I have been advised by the Office of the Comptroller General that not only is it highly improbable that this proposed bill will be passed during this session of the Congress, but also that its enactment would in no wise impair the powers now held by CIA. However, since legislation of this nature would be useful to the Agency, I suggest that the Bureau of the Budget be advised of our interest and of our desire to be kept abreast of developments and included in any co-ordination.
